Notice of exterior-wall repair work of the hotel

In accordance with the following schedule, we will carry out the exterior-wall repair work of the hotel.

During the construction period, because we are planning to carry out the work to set up scaffolding around the hotel, there is a possibility that the scenery from the guest rooms may be destroyed. In addition, there is also the case that the persons relating to the construction work come and go as well as noises and vibrations of the building may occur.

We are very sorry for the inconvenience to you, but we will proceed with the construction work paying close attention to the safety of our guests.

We would like to ask for your kind understanding and cooperation.

The schedule of the work is as follows.

Construction period: From Tuesday, May 15 through Wednesday, July 4, 2018

Construction hours: From 8:00 am to 6:00 pm
